

FINAL PRIZE STRUCTURE

Medals & Prize Money Distribution

2011 USATF Adirondack Open 10 km Championship

Hosted by the 64th Troy Turkey Trot

November 24, 2011 Troy NY

As an athlete is not eligible to receive both individual and age graded monetary awards, the following is the resulting prize money distribution. For those athletes that place in both the open and age-graded awards, the athlete receives the award with the higher dollar amount; if the dollar amount is equal, then the athlete is placed in the open division.
